

45 Satchell Lane, Southampton, SO31 4HF

£725,000

A wonderful opportunity to acquire a detached home in the heart of Hamble Village with views towards the river, this beautifully modernized character home offers plenty of living space in the most appealing of locations. There are plenty of features which make this such an attractive proposition, in particular the open plan kitchen living room across the rear of the property, three large bedrooms arranged over two levels with two well-appointed bathrooms and a really useful double garage with office above to the rear of the property.
