£205,000

As an investment in Warsash there will not be much to match this elegant one bedroom garden flat which lies right in the heart of Warsash Village. Originally constructed in the early 1900's the property has been adapted to provide three self contained apartments all with private gardens. This one has particular appeal having its own access to one with a south westerly aspect.

The living room is open plan with the kitchen which is well equipped with built in oven and hob and attractive units. There are French doors which access the garden. The bedroom is arranged with an ensuite bathroom and plenty of storage afforded by the large understairs cupboard.

Osborne Road is a classic mix of properties of different ages from Edwardian semis to large detached houses and is a stroll from all the amenities of the village. It could be a first purchase or an ideal downsize for a single person or a great buy to let investment. Its current let value is around £900 p.c.m.

The property is offered with vacant possession
