5 Hertsfield, Fareham, PO14 4SE

£252,500

Originally constructed in the mid 1980's this traditionally built two bedroom house is an ideal first step onto the housing ladder. The layout consists of a living room at the front with a modern kitchen diner across the rear overlooking the garden. The first floor has a double and a single bedroom with a pleasant modern bathroom. The gardens are nicely laid out with a south eastern aspect and there is parking allotted with two spaces.

Hertsfield is a cul de sac of around 40 properties from two to four bedrooms. They are traditional builds and are sought after usually by young professionals and families alike. There are amenities close by including the Locks Heath Centre with its everyday shopping and community facilities about a mile distance and there is easy access to the M27 about a five minute drive.

The property is offered with no forward chain.
