Price Guide £429,950

This excellent bungalow offers a great opportunity for those seeking single level living but require larger room sizes. Originally constructed in the 1960's but latterly extended, the property has two large reception rooms, three double bedrooms and a 15ft kitchen/breakfast room. The interior requires some updating but there is also scope of adapting the layout should this be needed. The property benefits from a long driveway with a picturesque front garden giving it real kerb appeal to complement all the other features of the interior.
