£500,000

Originally built around 2000 this excellent four bedroom detached property is set in central Whiteley close to all the recently constructed amenities. It is a traditional layout perfectly suiting modern family living with the kitchen and dining room across the rear (this could easily be knocked through) and a useful utility room attached to the kitchen. The living room has an aspect to the front and there is also a downstairs cloakroom. On the first floor there are four good size bedrooms, an en suite and a family bathroom.

Outside there is an integral garage, driveway parking a pleasant well laid out garden of good size.

It is ideally located a short stroll to the shopping area which has a comprehensive range of shops and a selection of restaurants and eateries. The leisure centre and recreation ground are also nearby. For those commuting it is about a mile to the M27 and the same for Swanwick Railway Station which has good connections to all the major south coast centres.
