£299,950

A classic 1970's terraced house which has been extended to give it some of the best accommodation available in the price range. It has a light and airy feel throughout and has been brought bang up to date by its present owners.

Particular features include a living room with solid fuel burner, modern fitted kitchen, conservatory and three decent size bedrooms, ideal for those with older children. It overlooks a green with parking and there is a garage to the rear.

The house has plenty of space and is ideal for a growing family. It is a short distance from some everyday shops on Highlands Road with more comprehensive facilities available in Fareham centre itself about a two mile drive. The local Orchard Lea Junior School is literally a few minutes walk.

All in all one of the best homes of its type and highly recommended for viewing.
